

[CRUSH] [THE] CRISIS] OPIOID TAKE BACK DAY

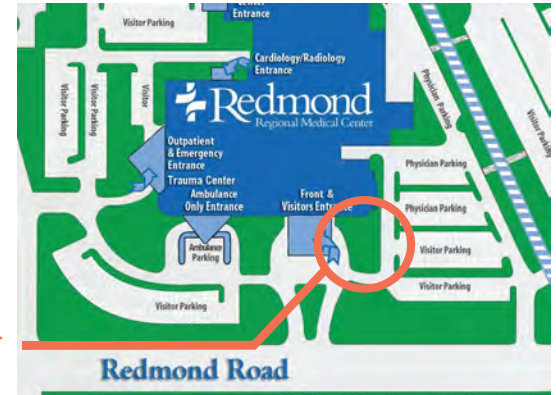

Saturday, October 24 | 9 a.m. – 1 p.m.

Redmond Regional Medical Center is committed to improving more lives in more ways. We are proud to partner with Floyd County Sheriff's Department and Floyd Against Drugs (FAD) to help combat the misuse of opioids. Current figures support the claim that more people die from complications related to opioid misuse and opioid use disorder than all other drugs combined.
